

SIMPLY THE BEST COACHING

LEVERAGE YOUR LEADERSHIP

High Impact Performance and Remarkable Results...

The Challenge: Taking Your Success as a Leader to the Next Level

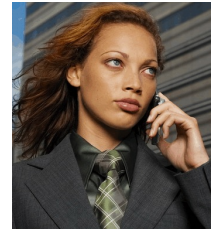

- Learn to lead with your strengths
- Communicate with clarity that catalyzes success
- Translate professional instincts into knowing action

The Solution: Stepping Up to Leadership That Inspires Results

- Link execution to an understanding of what will make a difference
- Manage ambiguity by transforming vision into strategic action
- Direct large-scale complex change to successful conclusions

Simply the Best Coaching makes it easier for smart executives and professionals like you to Leverage Your Leadership. This 3-month coaching program challenges you to expand your comfort zone. You practice new ways of thinking and acting that take full advantage of your leadership strengths. Inspired action leads you, your direct reports, and your team to high impact performance and remarkable results.

"I highly recommend Leverage Your Leadership Coaching. I am more successful now at addressing challenges and making the most of my strengths. Sylvia's ability to listen keenly allowed me to figure out which strategies were best suited for my particular context and personality. That made it easier for me to excel and achieve my ambitious goals." –Danielle Deane, Program Officer, Hewlett Foundation
